*Strengthen Parent-Child/School Relations*

*Improve And Support Your School*

*Be Informed, Vote For School Improvements, Participate In Surveys*

**VOLUNTEER**

## St. Mark's Parent Staff Council P. S. C.

The PSC came into existence in 1992 to act as an Auxiliary and fundraiser to the Early Education program and Day School. For 17 years now, the PSC has operated on parent/staff volunteerism spirit to foster relations that promote best interest of the children. The spirit reflects the commitment we have for our children's education. Joining the PSC is an easy way to support your school and your child's teachers. As a member of the PSC you will receive our monthly meeting minutes via email in order to keep up with the latest happenings in our school and our plans for fundraisers and activities. You will also have the opportunity to participate in our brief surveys and voting from Survey Monkey. Survey Monkey is an invaluable tool that allows us to receive feedback from *you* in an anonymous fashion. Come join our parent and staff network, because together we can make a difference! You may return this form with your membership dues attached to this form and place it in the PSC box located near the Early Education or Elementary School offices.

**MEMBERSHIP FEES \$10.00 PER PERSON**

Member's Name: \_\_\_\_\_

Child's name/teacher/grade: \_\_\_\_\_
